Dear Dr. Green:

Thank you for the kind letter in reply to my indirect appeal. As a new Vice President of the SUP responsible for Utah and Wasatch Counties, I am anxious to meet you and the Mountain Valley Chapter members. I have, therefore, tentatively scheduled the evening of May 6 for a visit. I understand that you meet at your office beginning about 5:00 p.m. Since my parents live in Coalville, I shall either be on my way up to visit them or on my way back from a visit.

Unless I hear otherwise, I shall plan to see you on Tuesday, May 6.

With best regards,

  
R. Wayne Pace, Ph.D.  
Professor, Organizational Behavior

# Sons of Utah Pioneers Attend Special Meeting

*1 May 1986*

A special meeting was called on April 23, 1986 at the Wasatch Middle School Little Theater by Dr. R. Raymond Green, President of the Mountain Valley Chapter of the Sons of Utah Pioneers.

It was proposed that a statue of Heber C. Kimball, for which the valley and Heber City was named, be erected on the Tabernacle grounds. Artistic support and community interest in the project was emphasized.

Jim Kimball, History Department of the Church of Jesus Christ of Latter-day Saints, and a descendant of Heber C. Kimball presented a selection of slides on the Restoration efforts in Nauvoo, Illinois.
